The Home of Classic Characters

NEW ADVENTURES!

**Paddington**™

## The Home of Classic Characters

Welcome to our **2020 Collection**.

**The Home of Classic Characters** since 1971, is proud to unveil our inspiring new 2020 Brand and Product line up.

It's going to be a momentous year ahead for **Paddington** returning to the small screen in a heartwarming brand new TV Animated Pre-school Series "**The Adventures of Paddington**" airing in March 2020. We have a fabulous new collectable Toy Range, available in the second half, that is sure to capture the imaginations of pre-schoolers, alongside our ever popular **Classic and Baby Collections**, making Paddington the No.1 Bear for all ages and stages.

**Peter Rabbit** will also receive a massive boost with the release of **Peter Rabbit Movie 2** on the 27th of March, which is sure to be another huge box office success. And we continue to nurture and expand our **Peter Rabbit Nursery** offering with a beautifully created new "**Signature Collection**" that strikingly underpins the heritage and quality values in this Classic Brand.

The New Year sees Rainbow celebrating four more exciting brand anniversaries starting with **25 Years of Guess How Much I Love You**. Newly installed by popular demand in the Rainbow stable, we will be having more "**Fun with Spot**", commemorating 40 glorious years. We are especially excited about **Miffy's 65th Birthday** and for **70 Years of iconic Snoopy**, back with Rainbow as a cute and cuddly "**My First Snoopy Collection**" together with an "**Everybody Loves Snoopy**" everyday range.

The sensational **Winnie the Pooh**, "**One Hundred Acre Wood Collection**" continues to grow and strengthen and we are expanding our ranges with new Classic lines and a colourful and joyful Disney "**Winnie the Pooh New Adventures Collection**".

In tandem with an exciting entertainment and anniversary slate in 2020, our core Classic Brands go from strength to strength with nostalgia firmly in the consumer zeitgeist. We continue to invest and innovate behind all our evergreen brands, **The Very Hungry Caterpillar**, **Elmer** and **Usborne's That's Not my....** And we are bringing back some family favourites from the Universal portfolio, including **Rupert the Bear**, **Noddy** and the endearing **ET**.

We pride ourselves in offering the very best prestigious evergreen Classic Brands and Characters that are steeped in heritage, popular appeal and quality values and the **Rainbow Team** are looking forward to another exciting year.

We would like to thank all our customers for your continued support and we wish you all a very successful year ahead.

We hope you enjoy our **New 2020 Collection**.
